

Work, Health and Safety Policy

FRACHT Australia is committed to take all reasonable steps to protect the health and safety of all staff and to achieve a safe and healthy work environment.

We will set measurable WHS objectives and targets, and we will continue to improve our WHS system with a view to eliminate work-related injuries and illness.

Fracht Australia is aware of all relevant WHS legislation in all States it operates. We are committed to provide adequate resources to ensure legislations and other relevant requirements are met.

Our WHS system is documented, relevant procedures and instructions are implemented, adequate resources are provided to maintain the system, and all employees are informed and made aware of duties and responsibilities in relation to keeping a safe and healthy work environment.

Our policies, commitments and system to support them are available to all interested parties.

All the elements of our Integrated Management System comprising of Quality, Environmental and Health and Safety, are periodically reviewed to ensure they remain current, effective, efficient and suitable to changing needs.
